ORDER:

In the reference first read above, the Technical Advisor to Rural Development Department, Sri Satya Sai Sujala Sravanthi Trust, Hyderabad has stated that the Trust proposes to takeup a Comprehensive Protected Water Supply Scheme in Kadam area of Adilabad district in 172 habitations for providing Drinking Water. The proposed project will cost about Rs.50.00 crores and will cater to the drinking water needs of tribals in Kadam, Khanapur and Jannaram Mandals covering a population of about 1,17,562.

2. In the reference 2nd read above, the Engineer-in-Chief, RWS&S, Hyderabad has informed that there is no objection to takeup Comprehensive Protected Water Supply Scheme, by Sri Satya Sai Central Trust. The Government have to take decision on the request of Sri Satya Sai Central Trust. He has also submitted feasibility report for the works of CPWS Scheme to the habitations of Kadam, Khanapur and Jannaram Mandals in Adilabad district obtained from the Superintending Engineer, RWS&S, Adilabad also requested to give suitable instructions in the matter.

3. The Government after careful consideration of the issue have decided to accept the proposal of Sri Satya Sai Sujala Sravanthi Trust, Hyderabad for providing drinking water to Kadam and 171 other habitations in Kadam, Khanapur and Jannaram Mandals of Adilabad District through Sri Satya Sai Sujala Sravanthi Trust funds.

4. Accordingly, Government hereby order to provide drinking water to Kadam and 171 other habitations in Kadam, Khanapur and Jannaram Mandals of Adilabad District covering a population of 1,17,562 through Sri Satya Sai Sujala Sravanthi Trust funds.

5. The Engineer-in-Chief, RWS&S, Hyderabad is requested to provide all technical assistance in this regard for formulation and execution of the Schemes.

6. The District Collector, Adilabad will be the Head of the Committee constituted at the District level with Superintending Engineer, RWS&S, concerned as Member Convener of the Committee to provide support and assistance required by the Trust or its executing agency. The District Collector may also co-opt other members of the Committee.

7. The District Collector, Adilabad and Superintending Engineer (RWS&S), concerned to handover the site to the executing agency of the Trust for implementing the Project immediately after the DPRs are formulated and approved. In areas where land is to be acquired, a formal requisition has to be made by the Superintending Engineer (RWS) concerned to the concerned District Collector for acquisition of the lands and such charges towards compensation will be borne by the RWS Department. The Superintending Engineers (RWS&S) concerned to see that the alignment of the pipelines has to be along the pathways/roads as far as practicable so that acquisition of land is avoided for this purpose. The expenditure for the deposit for provision of Electricity and charges for consumption of power till they are commissioned and handed over to the Government will be borne by Government. The Capital Charges as in previous cases can be paid by RWS & S Department and O&M charges by PRIs concerned.
